Shervin Iranaghideh

PROSPECTIVE DIRECT PH.D. STUDENT

OBJECTIVE

I am highly motivated for doing research in subfields of Artificial Intelligence, I love coding so much that I lose track of time every time I code. I'm also super fascinated by LLMs and transformers and I'm looking to expand my knowledge doing research. *I'm looking for research positions and joining labs for collaboration, if you are looking for a dedicated and highly motivated researcher please contact me.*
