Shervin Iranaghideh

PROSPECTIVE DIRECET PH.D. STUDENT

OBJECTIVE

I am highly motivated for doing research in subfields of Artificial Intelligence, I love coding so much that I lose track of time every time I code. I'm also super fascinated by LLMs and transformers looking to extend my knowledge on the matter through doing research.

Looking for research positions and joining labs for collaboration, if you are recruiting please contact me.

EXPERIENCE

TEACHING ASSISTANT • THEORY OF COMPUTATION

Spring 2023 • SRBIAU • Instructor: Dr. Somayeh Ghezelahmad

Teaching, Solving Practice Problems, Troubleshooting students, Grading assignments.

TEACHING ASSISTANT • LINEAR OPTIMIZATION

Fall 2023 • SRBIAU • Instructor: Dr. Farhad Hosseinzadeh Lotfi

Teaching, Solving Practice Problems, Troubleshooting students, Grading assignments.

INTERNSHIP & WORK • FRONT-END DEVELOPER

Feb 2020 – Now • E-Commerce Brokers • Supervisor: Armin Rahimian

Member of Armin's team, head of develop and designing UI/UX.

RESEARCH • MATCHING ENERGY OF GRAPHS

MAR 2023 – Now • Instructor: Dr. Somayeh Ghezelahmad

Working on Dr. Ghezelahmad's latest paper for further extension.

PROJECT • MULTI-COMMODITY TRANSPORTATION

Spring 2023 • SRBIAU • Instructor: Dr. Farhad Hosseinzadeh Lotfi

Mathematical modeling and solving them using Scipy.

PROJECT • PERSONAL WEBSITE

Aug 2023 •

Coding and designing my personal website from scratch.

EDUCATION

B.S. 2020-2024
Computer Science
Science and Research Branch of Islamic Azad University (SRBIAU)
Tehran, Iran

RESEARCH INTERESTS

- o Artificial Intelligence
- o Machine Learning
- o Natural Language Processing
- o Neural Networks
- o Graph Neural Networks
- o Computer Vision

SKILLS

- o Python
- o TensorFlow
- o Scikit-Learn
- o MATLAB
- o R
- o Pandas
- o Numpy
- o JavaScript
- o HTML/CSS
- o Git
- o Go
